Students whose household qualifies for free meals receive breakfast and lunch at no charge. Each day Napoleon students enjoy healthy meals that meet or exceed the federal guidelines as established by the National School Lunch Program. Each meal contains protein, fruits and vegetables, grains and low-fat or fat-free milk.

If your household meets the eligibility requirements, your child may receive free or reduced-price meals. An adult household member should complete an application for free/reduced-price meals for their family.
